

Nish junior high school festival

The school festival

Our school has a school festival every fall.

We have a chorus contest, a stage and a concert.

They are wonderful.

The school festival is popular in our school. There are two reasons.

First, we can listen to the chorus.

Second, our class worked together and do our best.

I recommend the tea ceremony the most.

The field day

We have field day in May.

There, all the pupils at school do their best to fight for their team.

Field day is the most popular event in our school.

Second, it is really successful.

Third, it is fun.
